

FLYER [700 characters with spaces]

Purple Pinky Happy Hour

Thursday, October 22nd, 5-7 p.m.

Honey Whyte's, 2116 E. Main Street

In observance of World Polio Day, the Rotary Club of Church Hill is hosting happy hour. For a \$1 donation – the cost of vaccinating two children for Polio – get your pinky dyed purple so you can show your solidarity with Rotary's effort to end Polio.

Around the world when a child is given the Polio vaccine, a volunteer dyes their pinky purple to avoid double vaccination. One of Rotary's biggest initiatives is the eradication of the Polio disease and, after 30 years of hard work, only two countries in the world have active Polio cases.

Come join us and enjoy specials, door prizes, and support a good cause.

(graphic mandatories: CH Rotary logo, Honey Whyte's logo. Event Time is FP0)

Micro/social

Purple Pinky Happy Hour, 10/22, 5-7pm, Honey Whyte's <link to FB event page>

How many countries have active polio cases?

Observe World Polio Day, with a purple pinky.

Drink specials, door prizes, purple pinkies.

You don't need the vaccine, but you sure could use a drink. Purple Pinkies.
