

# SONOS

# HOME THEATER FOR MUSIC LOVERS

THE WIRELESS HiFi SYSTEM

# THE PERFECT GROUP TO ROCK YOUR HOME THEATER

## PLAYBAR PLUS SUB AND A PAIR OF PLAY:1'S

Four versatile performers with the power and finesse to play anything and make it sound amazing—immersive 5.1 sound for your favorite films, TV shows, and games plus all the music on earth.

# UNLEASH AMAZING SOUND FOR YOUR TV WITH PLAYBAR

PLAYBAR is the soundbar for music lovers and replaces the steady drip of your TV's built-in speakers with deep booms, crystal-clear whispers, and huge waves of live concert sound. With nine speakers under the hood including two outward-angled tweeters, PLAYBAR is designed to cast the widest possible soundstage.

# ADD SUB TO FEEL EVERY RUMBLE

SUB is the perfect partner for PLAYBAR. The wireless subwoofer fits anywhere and will fill an entire room with thick layers of deep, bottomless sound. Whether you are enjoying a movie or listening to music, you will feel the full impact of every car crash and power chord.

# GET WIRELESS SURROUND SOUND WITH A PAIR OF PLAY:1'S

Immerse yourself in full 5.1 surround sound by adding the deep, crystal-clear HiFi sound from a pair of PLAY:1's. This compact duo completes a true home theater system you can set up in minutes.

# ROCK THE HOME

The TV isn't always on, but the music can be. Your Sonos home theater products double as stand-alone Sonos wireless speakers that allow you to stream all your favorite music; your iTunes® library, your favorite music services, and thousands of Internet radio stations, shows, and podcasts.

iTunes®

PANDORA®

Songza

(SiriusXM)®  
INTERNET RADIO

Rhapsody  
MUSIC WITHOUT LIMITS

tunein

iHeartRADIO

Spotify

amazon cloud player

Music services availability varies by region.

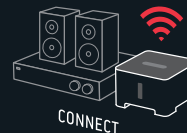

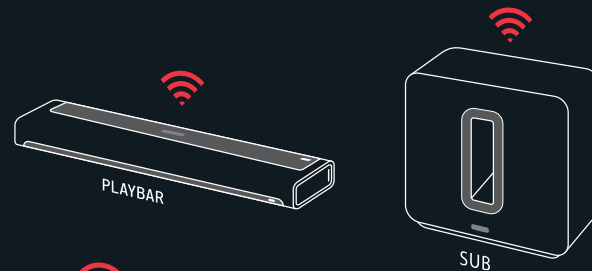

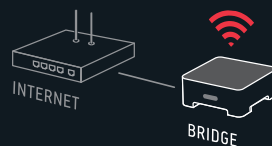

# ROCK-SOLID WIRELESS

BRIDGE is perfect for setting up your Sonos home theater system. If your router isn't in the same room simply connect BRIDGE to experience the Sonos rock-solid wireless network 100 percent devoted to streaming HiFi sound.

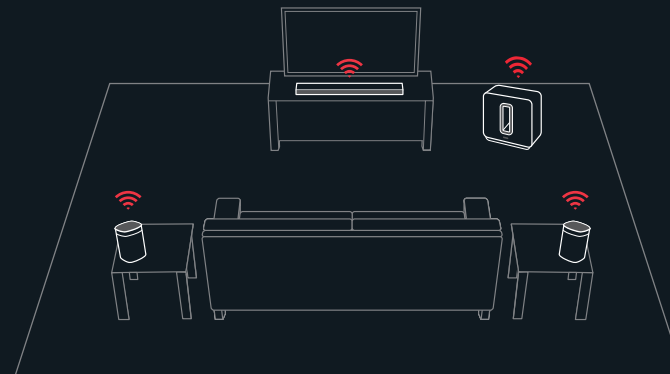

Control your Sonos home theater volume and mute using your existing TV, cable or universal remote. And for streaming music you can download the free Sonos Controller Apps for your smartphone, tablet or computer.

# AWESOME ALONE. REVOLUTIONARY TOGETHER.

Create the perfect group to rock your home. The Sonos Wireless HiFi System is modular, simple to expand, and can grow with your needs. Start with PLAYBAR, add a SUB, then combine with a pair of PLAY:1's to bring HiFi sound to your high-definition TV.

**“AS A PRODUCT THAT’S DESIGNED TO FIT INTO OUR LIVES,  
AND SERVE AS A SINGLE-PRODUCT AUDIO SOLUTION FOR  
BOTH MUSIC AND MOVIES THAT’S FAR LESS COMPLEX  
AND WIRE-FILLED THAN RECEIVER-BASED HOME THEATER  
SYSTEMS...WELL, IT’S A WINNER.”**

**Seth Porges, Forbes**

**“ALONE, THE PLAYBAR PRODUCED A RICH, SMOOTH,  
POWERFUL SOUND—EVEN WITHOUT ITS VOLUME CRANKED  
UP. BUT ITS WINNING ATTRIBUTE IS THE ABILITY TO LOOP  
TV AUDIO INTO OTHER SONOS SPEAKERS AND CHOOSE  
WHAT SPEAKERS PLAY THE AUDIO.”**

**Katie Boehert, WSJ**

**SONOS®**
