

“ We have spoken so highly of Dr. Morris and the n1Health network that several of our friends have also joined the practice.

“ We are enjoying a greater understanding of our personal health issues, both real and potential, and experienced significant improvements on test results (i.e. blood sugar levels) over a several month period.

- Art & Rebecca

## Your Health Advocate

J. Dan Morris, M.D., is a board-certified family physician and founder of n1Health at Windsong Medical Park. He has practiced medicine in Prescott Valley, Arizona, for more than 30 years and is known for his unshakable commitment to compassionate, cohesive, and comprehensive care. He practices the four pillars of good health: exercise, nutrition, care of mind and spirit, and personalized medical care.

A native of Nevada, Dr. Morris graduated from the University of Nevada and received his medical degree from the University of Oklahoma Medical School. He completed his residency in family medicine at Scottsdale Memorial Hospital.

Professionally, he has concentrated his time and energy on exemplary patient care. He is beloved by his patients, many of whom have been seeing him for decades and have made the transition with him to the n1Health network, which allows him to practice private, personalized medicine.
